EDUCATION

University of Amsterdam

BSc Psychology

Amsterdam, Netherlands

Sep. 2024 – Present

International School Augsburg

International Baccalaureate Diploma

Augsburg, Germany

Sep. 2012 – May 2024

- **Higher Level:** Mathematics Analysis & Approaches, Physics, English A Language & Literature
- **Achievements:** IGCSE with A* distinction in 3 subjects · SAT score: 1460

PROJECTS

Conversational AI Web Interface | JavaScript, Node.js, HTML, CSS, OpenAI API

2024

- Built a full-stack web application integrating the OpenAI API, enabling real-time conversational AI interactions in the browser
- Developed a Node.js backend to handle API requests, manage response streaming, and abstract provider logic
- Implemented browser-based session memory to persist conversation history and maintain context across interactions
- Designed and built a responsive chat-style frontend interface from scratch using HTML and CSS

EXPERIENCE

Wogra AG

Software & Design Intern

Augsburg, Germany

Jun. 2022 – Jul. 2022

- Produced UI/UX design mockups and visual assets using Figma for internal development use
- Observed and contributed to professional software development workflows within an Agile team environment
- Gained firsthand exposure to the software product lifecycle, from design through to implementation
